

OUR KITCHENS

COMMERCIAL KITCHEN

Makers Landing Commercial Kitchen is a 600m² shared kitchen space.

- It has 13 workstations – available by the hour – comprising of cold and hot sections. We can accommodate multiple small businesses at any one time.
- The space includes 8 prep sinks, a fully equipped scullery area, delivery and receiving entrance, specialised equipment, gas/electric facilities and cooking-smalls (available on a first come basis).
- The kitchen is equipped with the latest technology and kitchen equipment to enhance your cooking experience and improve your output. This includes: combi oven, blast chillers, rational ovens, deck ovens, planetary mixers, deep fryers and more. All equipment is food safe and HACCP compliant.
- Walk-in cold store, dry store and freezer storage is available to rent on a daily/weekly/monthly basis.
- The kitchen is secure and open 24/7, with access-control.
